

GRAYSTON TRAVEL IS VERY PROUD TO ANNOUNCE THAT ON THE 1ST OF OCTOBER 2015, WE HAVE BEEN RUNNING AS AN INDEPENDENT TRAVEL AGENCY FOR 20 YEARS.

NEWSFLASH – OCTOBER 2015

AUSTRALIAN VISA

The Visa and Immigration Section at the Australian High Commission in Pretoria is experiencing a high volume of applications for the Christmas holiday peak period. As a result, the Commission has requested that visa applications are lodged two to three months prior to the date of travel to ensure the visa is issued in a timely manner. The current visa processing time sits at one month however, that time is expected to extend as we approach the peak period.

WARNING TO KRUGER PARK VISITORS

Visitors heading to the Kruger National Park via Sabie should be aware of volatile conditions in the area. According to members on the SANParks - Kruger National Park Facebook group, cars passing through the town were attacked with stones by protesters challenging service delivery issues in the area. The town of Barberton is also affected. Visitors have been advised to use alternative routes.

GOODBYE ROAMING FEES – CELL C

Cell C customers will soon be able to use their cellular network service anywhere in the world, just as they would in South Africa

without incurring roaming costs. The 'Wi-Fi Calling' functionality automatically connects mobile phones to Wi-Fi hotspots anywhere in the world. Once connected customers can then make calls and send SMSs over the Wi-Fi network, without having to connect to data roaming. Only Cell C customers in possession of a Wi-Fi Calling-enabled handset that is connected with a Cell C USIM card will be able to make use of the service.
